Work Location : \_\_\_\_\_

#### Unit Details Handed Over

| No | Asset ID | Asset Tag | Brand & Model | Initial Physical Condition | Accessories (Charger/Bag/etc.) |
|----|----------|-----------|---------------|----------------------------|--------------------------------|
| 1  |          |           |               | pecah, casing bengkok      |                                |
| 2  |          |           |               |                            |                                |
| 3  |          |           |               |                            |                                |
| 4  |          |           |               |                            |                                |

#### Notes / Additional Remarks:

- Physical condition & completeness have been jointly verified before the unit is handed over for work at the Shopee workshop.
- Detailed condition of each component (per unit) is recorded in the Attachment - Unit Physical Condition Checklist, 'Condition Upon Receipt' section.
- This document serves as official evidence that responsibility for the unit's repair has transferred to Arisa Computer.

This Handover Certificate is made in good faith and signed by both parties without coercion from any party, to be used as appropriate.
